

Dear Family,

My name is Lauren and I am so excited to be considered to care for your child!

I am 32 years old, a wife and mother and I have over 22 years of babysitting & nanny experience. Included in that experience are the past two years nannying for three precious girls, two years as a part-time nanny, and – of course – the nearly four years of experience I have caring for my sons!

I pride myself on my organization skills and love cooking and baking. I also believe strongly in consistent daily routine and sleep schedules for children. I credit my sons' happy and flexible demeanors to their regular sleep habits and providing them with a predictable schedule.

I currently nanny two beautiful girls and also have my three and a half year old and four month old sons with me. One of my families enrolling their child in full-time preschool, so I am looking for one child to add to our little crew in my home full-time.

We love to go for walks, play outside, do puzzles, dance and listen to music, play tag/chase, and read lots and lots of books! We have a large, fenced-in yard with a swing set, giant sandbox, and many outdoor toys. I believe strongly in play-based learning with low/no-tech toys that encourage creativity and child-led development.

I have a 100% clean driving record and criminal history and I am happy to provide a background check and/or drug test. I am CPR/First Aid/AED certified. We are located near Park Road and Selwyn Avenue.

You can contact me via my Care.com profile listed below. Thank you for considering my application and I look forward to meeting you soon!

Best,

Lauren

About Me

I am seeking to add one additional child to our fun little crew in my home! We love to play outside, read books, play chase, and be silly!

When I'm not nannying or enjoying time with my family, I enjoy sewing, photography, and playing board games with friends on the weekends!
